

REL 1310 – Christian Scriptures

Hello and welcome to the weekly resources for REL-1310!

These resources are structured a bit differently from other online study guides on the Baylor Tutoring website because the content in these courses are organized largely around biblical histories and narratives. Please take a look at other weekly resources listed on our website for additional topics from Christian Scriptures throughout the semester. Your professor might be discussing these topics in a different order than presented here.

We also invite you to take a look at the group tutoring chart on our website to see if this course has a group tutoring session offered this semester.

If you have any questions about these study guides, group tutoring sessions, private 30-minute tutoring appointments, the Baylor Tutoring YouTube channel or any tutoring services we offer, please visit our website www.baylor.edu/tutoring or call our drop-in center during open business hours, M-Th 9am-8pm on class days, at 254-710-4135.
